*Dr. H.E. Jenkins, President*

B.S. Kansas State Teachers College; M.A. and Ph.D. The University of Texas

The man who has been responsible for Tyler Junior College since its infancy, President H. E. Jenkins, was recently called by the Pow Wow "a man dedicated to the junior college movement."

A pioneer in junior college work, Dr. Jenkins has brought honor to the college, to the city of Tyler, and to Texas through his work as an educator on local, state, and national levels.

This year he brought additional honor to them by being the first junior college president to serve as president of the Southern Association of Colleges, an organization composed of 3,500 educational institutions in eleven southern states.

He is also on the executive committees of several regional and national educational organizations.

In addition, he is the author of numerous publications and magazine articles. His most recent work is a revision with other educators of a volume he wrote in 1952, "A Guide to Self-Evaluation of Junior Colleges."

Dr. Jenkins received his BS from Kansas State College, his MA, the University of Missouri, and his PhD, the University of Texas.

He was dean of Tyler Junior College when it was connected with the Tyler school system and assistant superintendent of the school system.

Upon separation of TJC from the school system in 1946, he became the first president of Tyler Junior College.

Active in community and church affairs, Dr. Jenkins is the superintendent of his church school and a member of the board of stewards of the church. He is also a 33° Mason.

The social highlight of the year was the Thanksgiving Open House.

Father Richard Sokolski is club moderator. He leads discussions and gives members a course in basic theology.

Members listen as Father Sokolski explains the principles of theology.

Interest in such an organization began when the engine bell, presented to the Apache Belles in 1954 by the Cotton Belt railroad, was taken from storage and shined by several men students. The bell created so much excitement at football games that a group of students gathered and drew up a constitution in order to become a regular campus organization.

The guards sponsored car caravans to Paris and Kilgore for the football games. Another project of the most-talked-about on campus, was the 48 hour "tom-tom" marathon before the Homecoming game.

In the opening game of the 1959 season TJC edged the Navarro Bulldogs 16-12.

In a handfought battle all the way TJC looked at times like a championship team and times not so good.

The Bulldogs were definitely "up" for the game because of the fact that TJC was ranked number one in the South in the pre-season polls.

## *TJC Slips By Cardinals Injury Bug Hits Team*

In the second game of the 1959 season TJC slipped by the fired up Henderson County Cardinals 12-7. The Cardinals were well fired up because they were seeking revenge for their loss last year.

TJC was playing without the services of some of its starting players. The second team saw action in this game.

The injury bug began early in the season and stayed with the team all year.

## *Apaches, Horsemen Tie 6-6 at Miami, Okla.*

A capacity crowd at Miami, Oklahoma witnessed the Northeastern Golden Horsemen and the Apaches battle to a thrill-a-minute 6-6 standstill.

Behind 6-0 with approximately three minutes remaining in the game, Frank Brewer picked up a Northeastern fumble near the 50-yard line and raced across the goal for the tying score.

## *Brewer, Sizemore, Staton Score Against Victoria*

Victoria scored first on a TD pass to go ahead 6-0. Frank Brewer then intercepted a pass on Victoria's 15 and ran for the TD to make the score 6-6 at the half.

Late in the third period Staton scored on a keeper play. Jim Sizemore ran a 23-yard sprint for a TD in the fourth quarter to make the final score 18-6.

Tyler intercepted 4 passes to break up Bulldog threats.

## *Paris Trips Tribe 19-0 In Conference Opener*

The Paris Dragons toppled a badly crippled Apache squad from the undefeated, untied ranks Oct. 10, 19-0, at Paris, in the initial Texas Eastern Conference contest for both elevens. Injuries to Richard Staton, Jim Sizemore, and Jimmy Wooten kept the Tribe from being in top form.

## 19-0 Loss to Bulldogs Spoils TJC Homecoming

Texarkana's Bulldogs spoiled TJC's homecoming Nov. 7 with a 19-0 victory over the Apaches.

After a scoreless first period, the Bulldogs seized control of the football, scoring once in each of the remaining three quarters.

Tyler's only major threat was halted on the Texarkana four shortly before the Bulldog touchdown in the fourth quarter. Most of this yardage picked up was credited to a 28-yard pass from Richard Staton to Pat Parrish.

## *Kilgore Hits Tribe 7-6, to Tie 12-year Series*

Quarterback Marion Turner's extra point boot in the final period at Kilgore provided the Rangers with a 7-6 victory over the more than fired-up Apaches.

The Ranger triumph once again deadlocked the series between Tyler and Kilgore at six victories each during the 12-year rivalry.

Favored by as much as two touchdowns by some sports writers, Kilgore finally conquered the Tribe on the football field, but never did they conquer the Apache spirit.

The Apaches grabbed the lead midway in the second quarter after Richard Staton's two yard quarterback sneak into paydirt had climaxed a 67-yard drive.

Exceptionally good offensive blocking by the line and backs was a key factor in the Apaches' getting the six-point jump on the Rangers.

Badly outrushed by Tyler for more than a half, Kilgore, behind the break-away scampers of halfback Harold Mayo, finally overcame the 6-0 TJC lead with eight minutes to play.
